Policies and Procedures

Scheduled work weekends will begin no earlier than 6:00 pm on Friday night of scheduled weekends. The Land Manager or appointed person will be at the property to open the gate no earlier than that time unless previously announced. If there is a change to the time earlier or later it will be announced by no later than Thursday evening of that week.

No one will be able to enter the property until Land Manager or appointed person are there to the open gate.

In addition to work weekends, no one is to be on the property unless they have consent from the Land Manager or the Board of Directors, and have someone with them. Under no circumstances should an individual be on property alone.

Due to the liability of personal injury this policy is for the protection of our membership as well as the protection of the Corporation.

Exceptions to this policy will be on a case by case basis at the discretion of the Land Administration Team.
